

SPONSORSHIP PACKAGE 2024

AAPIC CHAMBER
FOUNDATION

About Us

AAPF Chamber Foundation is a nonpartisan, 501(c)3 nonprofit organization.

In the innovation economy, knowledge, entrepreneurship, innovation, technology, and collaboration are the key drivers of economic growth.

Cities around the world are seeking to accommodate the needs of a new era of technology-empowered industries and firms whose innovation model depends on proximity and whose talent pool explicitly prefers urban living and lifestyles.

Vision:

To position Southern Nevada as a leader in the innovation economy.

Mission:

Building an inclusive, community-driven innovation economy in Southern Nevada by:

- growing emerging sectors, focusing on equity;
- creating talent for tomorrow; and
- building neighborhoods as vibrant places to work, live, and play.

Youth Program Sponsorship

Digital Dimension LV

\$50,000 Per Semester

(To support 20 students per semester)

A free, 8-week after-school digital content creation program for 20 middle and high school students to develop skills in digital content creation, including video production and editing, social media marketing, website design, graphic design, animation, and video game and app design. The curriculums are connected to real-world contexts in the business arena, setting students up for success in their content creator jobs.

Today's employers are looking for well-rounded talent who bring multiple skill sets to the table. And this career-readiness program will provide a balance of the technical and creative transferable skills needed for students to realize career opportunities in today's digital economy and be successful in the workplace.

Youth Program Sponsorship

Field Trip to New York City

\$25,000 for One Group Trip
(\$2,500 Per Student for 10 Students)

Visit the world's largest financial hubs and get hands-on learning experiences beyond the classroom. This 4-day, 3-nights study tour is for college students who are interested in pursuing a career in business and finance.

- Wall Street Insider Tour: visit investment banks, hedge funds, financial services firms and investment companies
- Visit New York City Economic Development Corporation and meet with their team
- Lunch and learn with industry executives
- Visit the Federal Reserve Bank or New York Stock Exchange

Students will go through an application and interview process in order to be accepted into the program. The program will be provided at no cost to historically underprivileged students.
